ABSTRACT

The main objective of this study was to find out the Educational and Professional Achievements of Physical Education Lecturers working in different Physical Education Colleges of Dr. Ram Manohar Lohia Awadh University, Faizabad of Uttar Pradesh State in India. The study was conducted on 70 Physical Education Lecturers selected through Simple Random Sampling method. The data for present research was collected through a self made questionnaire on professional Achievements. The Percentage method was used to analyze the data. It was found in the study that Physical Education Lecturers were very poor in their current Educational and Professional Achievements. And it was concluded that the Physical Education Lecturers working in Physical Education Colleges of Dr. Ram Manohar Lohia Awadh University, Faizabad were always average in their Professional Achievements.
